One on each Exit door of track

In the event of a bomb threat or fire in the building, all occupants need to immediately leave the building using the closest exit. Once outside, proceed to the assembly area

—Intramurals/Rec Center: Individuals in the Intramurals Office, Rec Center, weight room, storage room, locker rooms, court areas, and Group Exercise Room will depart the building via the emergency exits in the Rec Center.

—Loading Dock: Individuals in the office, loading dock area, storage and utilities room will be instructed to exit via the loading dock.

—Kitchen/Food Service: Individuals in the offices, dining area, restrooms, kitchen, and serving area will depart via the main exit.

—Mailroom/Laundry Room: Individuals in or outside the Mailroom and Laundry Room will exit the building via the main exit.

—Student Life Sports/Lounges: Individuals in the Student Life Sports/Lounges

All students, when exiting the building, are required to report to the assembly area for a building evacuation.

In the event of severe weather, all building occupants should seek shelter in the lowest part of the building. If unable to get to the shelter area, seek a windowless room or hallway on the first floor of the building.
